

10 things to have in your organizer-area

There are many things you can have available for your participants and helpers to make their experience more fun, comfortable and safe. This list is based on several organizers and participants' experiences and can be used as inspiration or direct check-list as needed.

1. Equipment for fire extinguishing – fire blankets and fire extinguishers
2. First aid-box
For example:
 - a. Scissors
 - b. Band aids in different sizes (if your event is primarily outdoors it can be a good idea to avoid band aids that need cutting, since it risks getting bacteria on the band aid)
 - c. Elastic bandages
 - d. Tweezers
 - e. Pliers/tweezers meant for removing ticks
 - f. Venom extractor (for bee- and wasp-sting)
 - g. Bandages
 - h. Blister patches
 - i. Ice packs
 - j. Hand sanitizer
3. Pads AND tampons (preferably different types/brands)
4. Painkillers (as a minimum paracetamol and ibuprofen)
5. Antihistamines
6. Earplugs
7. Sunscreen and after-sun
8. Candy bars or other easy ingestible sugars
9. Condoms and dental dams
10. A spot for charging phones (for instance a power strip)
